YALE LOCKS.

TO THE PUBLIC.-The public press of this city contained yesterday morning the announcement that Mr. Sargent had picked the Vale Double Dial Lock. We feel that We admit unconditionally that the lock was opened, and

ploys of ours, L. F. Munger, the person who of all others in our factory had the must to do with these locks, and whose duty it was to inspect them and see that the principles upon which depends the security of the locks were not violated by faulty or careless workmanship. However, the world be for a person holding this responsible position to allow an apparently unimportant but really vital change to creep into the construction of the locks, is patent to all familiar with these matters; and without intimating that anything of the kind has been done in this case, we do claim that Mr. Munger's success yealerday was the result of his long continuate in a most responsible place in our employ and was probably so in this distinct and the distinct of the control and the distinct of the control of
